

YOUR HIGH-QUALITY SOLUTION FOR LATEX- AND UVGEL INKS

QUALITY AND INNOVATION

**VERY GOOD LATEX
PRINTING QUALITY**

SOLVOPRINT® EASY DOT® GLOSSY

- New easy dot® quality puts an end to occasional printing problems with latex inks (e.g. inhomogenous colours, occurring with many PVC-based media)
- Suitable for outdoor applications of up to one year
- Perfect lay flatness, no restrictions with demanding printers
- Suitable for (eco) solvent-, latex-, UVgel- and UV-curable inks
- M1 and B1 fire retardancy certification according to DIN 4102-1
